EVERO®

CAST-FORMED NATURAL QUARTZ | MATTE

Natural Beauty, Remarkable Performance.

Introducing Evero® Matte, a fresh new quartz option with a stone-like appearance for handwashing fixtures in commercial restrooms.

New Evero Matte will bring a sophisticated elegance to your handwashing options and overall restroom design. The natural matte finish has a suede like feel to it yet will not show fingerprints. With one touch, you'll be drawn to its unique understated texture.

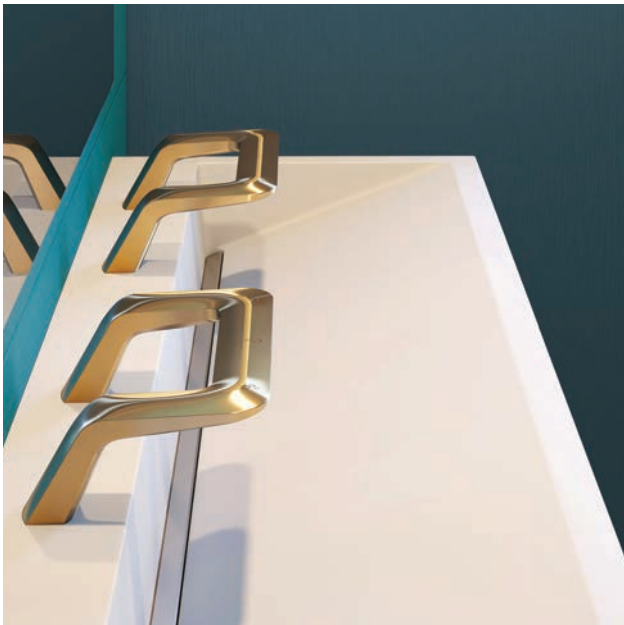

VERGE®

Stunning, Seamless, One-Piece Designs with the Beauty of Natural Quartz

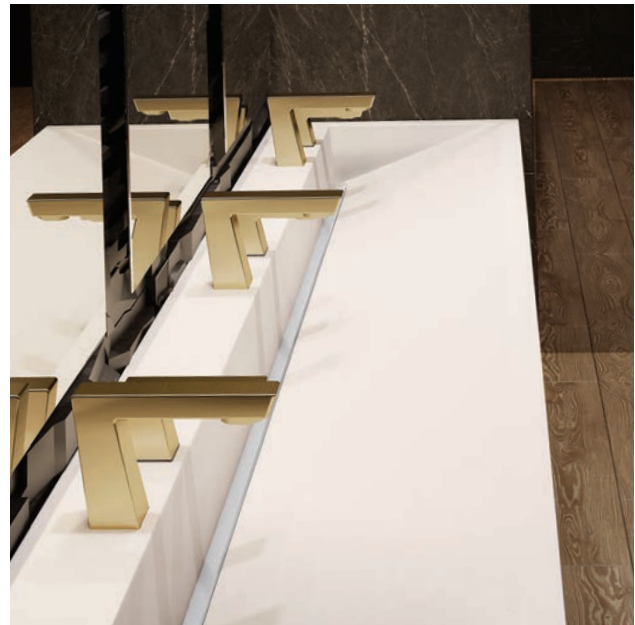

Made from a sustainable blend of bio-based resin and a unique mixture of extra fine grade quartz, available in Verge® LVQ Series with all-in-one WashBar® and Verge LVA Series with Verge matching Faucets and Soap Dispensers and WashBar Duo. Evero Matte soon available in Verge LVS and LVL Series.

Verge basins are artistically sculpted, elongated sinks featuring cast, one-piece seamless construction — no unsightly caulk lines or discolored seams. Verge handwashing solutions are available in a variety of designer-inspired shapes to complement any public, handwashing experience.

LVQ

Sophisticated design integrates a clean, linear open-concept. Available with clean+rinse+dry WashBar models.

LVA

Same clean, linear design as LVQ Series. Available with Verge™ Soap and Faucet or WashBar Duo.

LVS

COMING SOON! Smart, understated elevations create personal space in a linear design. Available with Verge Soap and Faucet.

LVL

COMING SOON! Clean lines with a rimless, minimal profile. Available with Verge Soap and Faucet.

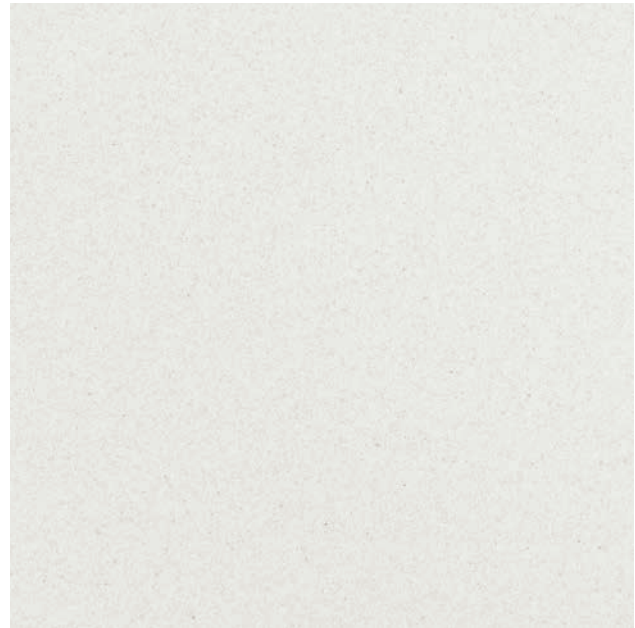

A Backdrop of Sophistication

Evero Matte **Mason Series**

Inspired by centuries of artisans creating beauty out of stone, the Evero Matte Mason Series brings an element of old-world beauty to the modern restroom. This exclusive new series is available in eight beautiful colors mirrored in our natural surroundings.

The Elegance of Quartz with the Durability of Granite

Like Bradley's Evero Classic natural quartz, the new Evero Matte is highly durable and highly stain resistant with a 15-year warranty. GREENGUARD certified, Evero Matte requires no external finishing operations giving the surface a pure organic feel.

All Evero quartz Verge basins are shipped ready for installation, no onsite fabrication required, saving clients time and money. The cast-formed design also eliminates seam lines for a sleeker appearance and inhibits mold and bacteria growth creating a healthier more hygienic handwashing experience.

Evero Matte's silky smooth surface repels water to resist unsightly water marks on the surface.

	Evero	Solid Surface	Granite
 Smooth, Non-Porous Surface	✓	✓	
 Durable, Long-Lasting	✓	✓	
 Low Maintenance	✓	✓	
 Scratch Resistant	✓		✓
